IEEE CPSCom 2021- Computer Society Young Professionals Meetup

Dear All,

Greetings from IEEE Computer Society (CS) Student and Young Professionals (SYP) Activities Committee!

In IEEE CPSCom-2021 conference, IEEE CS SYP aims to meet with the YP members/graduate student members for increasing their awareness about the YP activities/initiatives/opportunities driven by IEEE CS. The IEEE CS YP Meetup will be held at 15.00-17.00 GMT +11 (Melbourne time) on 8 December 2021.

While celebrating the 75th year of IEEE CS and the 25th year of IEEE YP in the IEEE CS YP Meetup, IEEE CS SYP would like to:

- Discuss the future IoT security and privacy trends with academicians and industrialist experts
- Reach out to more YP members to present its current activities, initiatives, and future vision
- Motivate CS/YP members to contribute towards CS SYP activities by learning its activities.
- Facilitate interaction between IEEE CS SYP and IEEE YP members/graduate student members
