Notification of Acceptance: One week

Registration of the accepted poster presenter: December 31th, 2020 (23:59 UTC)

Submission deadline of final poster for web publication (only for those who wish to upload the poster at the workshop webpage) : December 31th, 2020 (23:59 UTC)

Overview

This year, the 2021 IEEE Conference on Dependable and Secure Computing (IEEE DSC 2021) calls for posters that focus on any relevant topic of the workshop. Posters should present on-going study, idea or project that is not mature yet, and interesting as work in progress. Student projects (Bachelor, Master or PhD) and related studies are also welcome. Posters will be presented as an interactive presentation style. Posters must fit within an A0 size space (118.9 cm (height) and 84.1 cm (width) / 46.8 in (height) and 33.1 in (width)) and may consist of a single printed sheet or separate sheets. Poster presenters **MUST BRING** their own posters to the workshop venue on the poster presentation date. IEEE DSC 2021 **WILL NOT** provide any printing support. Poster boards and pushpins will be provided.

Publication Policy for Posters

Posters will be formally included in the program of IEEE DSC 2021. The list of accepted posters will be available through the workshop web page. **NO PAPER** proceedings will be published regarding the posters. Instead, IEEE DSC 2021 will provide 1MB size space for each poster at web page. Poster presenters can publish their posters at the workshop web page. In addition, 2-page abstract of the poster can be published if it is desired by the author. This data must be in PDF-format. The documents will be available at IEEE DSC 2021 web page one week before and after IEEE DSC 2021.

Basically, copyrights of any content for the poster presentations are retained by the authors; we **WILL NOT** impose any restrictions on the poster authors to submit the contents to other journals/conferences in the future.

However, the authors must take considerable care in publishing the documents at the

workshop web page. Every published document is on POSTER AUTHORS' RESPONSIBILITY. IEEE DSC 2021 accepts no responsibility and no liability for any loss resulting from the published documents. IEEE DSC 2021 does not endorse documents that violate any law or infringe the rights of any third party.

Instructions for Authors

To present a poster, authors MUST submit their documents to the IEEE DSC2021 easychair website <https://easychair.org/conferences/?conf=ieeedsc2020> by December 20th, 2020, 23:59 (UTC).

Presentation

Poster session will be held on the same floor as the workshop. Submission and presentation must be in English.

Best Poster Awards

Prizes will be awarded to the authors of the best poster presentation(s). Poster awards ceremony will be held at the banquet venue.

Visa

No visa support will be provided for poster presenters.

Committees

Poster Chair: Chunhua Su (University of Aizu, Japan)

Send any questions regarding poster presentation to chsu@u-aizu.ac.jp.
